

MARK JOSEPH STANSELL

PILOT QUALIFICATIONS and FLIGHT TIME

ATP, Airplane MEL; Commercial Privileges SEL

First Class Medical (08/10/23) US Passport (07/19/23)
Type Ratings: CE-500, N-265, SA-227, BE-300, BE-200, L-188, EMB-145

Total Flight Time:	8367	Actual Instrument:	952	N-265 / CT-39G:	1206	CE-560:	542
PIC (FAR part 1):	3724	Simulated Instrument:	826	SA-227 / C-26D:	1389	L-188 / P-3(series):	1942
PIC Jet (FAR part 1):	421	Night:	1431	BE-200 / TC-12B:	556	BE-300 / 350:	1929
Total Jet:	2090	Instructor:	641	PC-12/47E NG:	369	EMB-145:	81

(Flight times shown above flown under military regulations were converted to FAR part 1 using a conversion factor of 0.2 hours per sortie.)

PROFESSIONAL EXPERIENCE

PIEDMONT AIRLINES (Sep 2023 to Present)

WSS, WV **First Officer, EMB-145.** Fly scheduled FAR part 121 flights throughout eastern and central North America.

WEST VIRGINIA DEPARTMENT OF HIGHWAYS (Jan 2022 to Sep 2023)

Lewisburg, WV **Project Supervisor / Transportation Engineer Trainee.** Managed contractor construction of bridges, roads, and highways.

FLYRIGHT, INC. (Apr 2016 to Aug 2021)

Concord, NC **CE-208 Program Manager.** Supervised, trained, evaluated, and checked six Instructor Pilots who trained an international clientele in the Cessna 208B Caravan Level D flight simulator equipped with either analog or G1000 avionics under FAR parts 142, 135, international regulations, or custom training syllabi. Coordinated with all departments (sales, schedules, maintenance, compliance, program development) to ensure the highest customer satisfaction in terms of safety, quality of training, and curricula.

Concord, NC **BE-350 Instructor.** Instructed initial and recurrent pilots from an international clientele in both academics and level D simulator, under FAR part 142, 135, and customized training in the operation of the King Air 350 equipped with Collins Proline 21 Avionics.

AVENGE, INC. (Feb 2010 to Apr 2017)

Concord, NC **Aviation Syllabus Development Consultant.** Provided expertise and input on development of various pilot syllabi for aircraft such as the PC-12, BE-300, and C-23/Short 330.

Erbil, Iraq **Site Lead, Command Pilot, BE-300 (300 and 350ER w/ Collins Proline 21).** Supervised approximately two dozen pilots and three Flight Operations Managers. Flew contracted ISR throughout Iraq.

Kabul, Afghanistan **Site Lead, Syllabus Manager, Senior Instructor Pilot, PC-12/47E NG.** Conducted instructor training and evaluations. Instructed Afghan military student pilots in all aspects of PC-12/47E operations to include aircraft familiarization, IFR, ISR, airdrop, and short field procedures. Created Initial Qualification, Aircraft Commander, NVG, and IP syllabi, developed project master schedule, wrote flight operating procedures. Built 11 academic lectures covering: Policies, IFR basics, EO theory, and ISR ops.

Kandahar, Afghanistan **Command Pilot, BE300 (300 and 350ER w/ Collins Proline 21).** Flew contracted ISR throughout Afghanistan.

NETJETS AVIATION, INC. (Mar 2007 to Jan 2010)

Columbus, OH **First Officer, CE-560.** Flew non-scheduled fractional owners throughout North America and the Caribbean.

UNITED STATES NAVY (Feb 1987 to Feb 2007)

TW-4
Corpus Christi, TX **Training Wing Production Process Officer, Instrument Instructor, Aircraft Commander, TC-12B.** Instructed undergraduate students in advanced instrument phase. Flew light logistics throughout the continental United States.

Naval Support Activity
Naples, Italy **Base Protocol Officer, Head Standards Instructor (Unit NATOPS), Transport Aircraft Commander, Maintenance Check Pilot, CRM Facilitator, C-26D.** Instructed and evaluated fixed and rotary wing transition pilots in all aspects of C-26 operations. Flew non-scheduled Executive Transport and light logistics throughout Europe and the Mediterranean.

VPU-2
Kaneohe, HI **Training and Standards Department, Head Mission Aircraft Commander, Maintenance Check Pilot, CRM Facilitator, P-3(SP), P-3C.** Flew high priority missions as directed by the Joint Chiefs of Staff.

VQ-1
Oak Harbor, WA **Avionics and Aircraft Division Officer, Pilot Training Officer; Electronic Warfare Aircraft Commander, Maintenance Check Pilot, CRM Facilitator, EP-3E, P-3A/B/C.** Flew reconnaissance throughout the Pacific and Southwest Asia.

VR-24
Sigonella, Italy **Pilot Training Officer, Line Division Officer, Transport Aircraft Commander, Maintenance Check Pilot, CT-39G.** Flew non-scheduled Executive Transport throughout Europe and the Mediterranean.

APPLIED MATERIALS, INC. (Jul 1984 to Feb 1987)

Santa Clara, CA **Senior Field Service Engineer.** Installed, verified, maintained, and repaired semiconductor capital equipment.

FORMAL EDUCATION

Master of Science, Electrical Engineering, Naval Postgraduate School, Monterey, CA
Bachelor of Science, Electronic Engineering Technology, DeVry Institute of Technology, Columbus, OH
